## **About Texprint:**

>Texprint is the entrepreneurial solution to the ever expanding demand for T- shirt Printing industry.

>In a less investment, less power consumption, less space... any small or medium printer, new entrepreneur can start their own business.

>Texprint will be available in a maximum Print size of 15"x 20"

### **Vision:**

>To be recognized as the supplier of choice, the leader in quality and technology, and the benchmark for excellence.

>Texprint will be able to provide employment and would be a great platform for all those who wish to put down their creativity on T-shirt.

>Texprint aims to promote a healthy competition amongst the sector with the aim of common good.

### **Market Opportunity:**

>Texprint will be the first in its class of "All in One screen printing" for small screen printers and new entrepreneurs.

>Texprint caters to 38 different major sectors like School Uniforms, Clubs, Political Campaign so on & so forth.

>There are many opportunities for small business owners for the t-shirt printing industry. Large printing companies buy various t-shirt printing

machine and produce hundreds, or thousands, of t-shirts at a time, and then sell their t-shirts in bulk with lower prices. Where large company

cannot undertake customized small orders of single client , where small business will have opportunity.

### **Value Proposition:**

>The customers need to take care of the Texprint and Texprint will take care of their business.

>Our customers will get a sense of pride with their contribution in today's creative and innovative world.

>With Texprint our customers can jot down their creativity on t-shirt and through their dedication and determination they can take screen printing

industry to a very high level.
